Scientists said some of the mothers of the believers who hold them and then divorcing before entering the grounds.

Some of the virtues of peace be upon him and his attributes

The peace be upon him to restore justice face, good manners, beautiful scenery, a huge

head, flower color, and a broad forehead, a great important dalee Mvlj teeth, Ahwar eyes Oekhalhma, as if the sun being in his face, many felt Alhajin and eyes, in his voice hoarseness , a long neck, in his beard density, if the silence he has dignity, and if speaking Sama and gaze pomp, more shy than the virgin in her seclusion, great prestige, sweet logic; if the logic beads held Athdrn, if you spoke to take Bmjama hearts and enchant lives and minds, and out Among within it the light, disclosed God created the tongue, and most obviously a statement, Ooty conciseness of speech, and Badaa'i governance, his separation understands all the reputation, hated gossip to speak, rant it, accept for satisfaction Rahman and anger for anger, lasting reverence and refraction and humility to Allah, Lord of the Worlds, his modesty in not the yoke, pompous people and Ojmlhm from afar and good from a relative, not long irrevocably, in the short outrageous, both the abdomen and chest, long between shoulders, I feel the arms and shoulders, and upper chest, long Alzendan, walking in humility, look to the ground longer than his attention to the the sky, always the idea, long quietly to your jurisdiction does not need, opening words and Ikhtaatmh the name of God, the greater grace and that sounded, do not disparage any of them, almost laughing smiling, gives each counseled his share, not Bfez, not thick, nor clamorous, and Vhash, and flaws, revered the great people, and ruthless young, like the Time in the affairs all, do not frown on the faces of others or blame them, if the secret had informed his face like a piece of the moon, and his race in the face, such as pearls, and best of musk Alozfr; if the race became generate light, up mercy, and holds all, and earns zero, and Ikra guest, and appoints the ravages of the right, cleans his shoes, and sewing clothes, good smell but not touch good, it is found ward and caught nothing best than the scent of the Messenger of Allah peace be upon him, and touched silk or Dibaj Allen from the hand of the Messenger of Allah peace be upon him, if passed in the way of the city, and found him to smell good and they said: Messenger of Allah peace be upon him over this way, saliva, wherein is healing for the sick, and Roa of the Galil, and food and food and development, has been cleaner people, we want the dress and beta and a council, hear money hear, and see money, see, seen from behind as seen from in front of him, sleep eyes and does not sleep his heart, if the volatility of the night remembering Allaah, never heard companions votes Andy from his voice peace be upon him wasgood tone, erudite, great understanding, what is left of the prophet of science, however, has give him; is the most informed and encourage them to heart, his owners Ihvon him, that he listened to him, and that is Commit yourself to the order, said of him than he saw them: (It's the moon the night of full moon, I have not seen before or after the like) ...

His uncles, peace be upon him: Al-Harith - Qthm - Zubair - Hamza - Abbas - Abu Talib and his name Abdul Manaf - Abu Lahab and his name Abdul Uzza - Abdul Ka'aba - Partridge and his marauding - Dirar - Agheidq - denominated.

Aunts peace be upon him: descriptive - Atika - Arwa - Omaima - libra - wise or white - the safest of them-Abbas Hamza, descriptive, and differed in Islamabad, Arwa and Atika. Uncles and aunts: Black Bin Yaghuth - and Abdullah bin bin Arqam Yaghuth - and Frash - and Fajth.

**Why do we celebrate the birth anniversary?**

The birth of the Prophet Muhammad peace be upon him filled the world and his people, young and jubilant birthday peace be upon him, leapt to the people of virtue and science

peace be upon him and memories of the good offices and intercession for the believers. And that the really wise man should be happy that day his peace be upon him, and pleased to rejoice this day that flow from the light and guidance and knowledge to this world, because he was born when the Messenger of mercy to the worlds and the Prophet of guidance light to the creation of wholes, and to the prophets and messengers time greatest that day, Akram, The happiest and blessed him.

According to Sahih Bukhari that Abu flame was felt after his death in sleep was said to him: What are you doing? He said the fire but it relieves me every night two, and Omus of water between these two fingers the amount of this - and pointed to the fingers - and that this Baataqa to Thuwaiba, when Bashrtina the birth of Muhammad peace be upon him and his Baredalla.

If the infidel Abu Lahab, who owed the Quran was revealed to Josie in the fire the night of joy the birth of the Prophet peace be upon him, what if a Muslim nation unified Prophet Muhammad peace be upon him?!

And the transfer of Imam Muhammad ibn Yusuf al-Shami in his biography of Sheikh Abu Abdullah bin Abu Muhammad al-Nu'man said: I heard Sheikh Abu Musa Zerhouni says: I saw the Prophet peace be upon him in sleep, I mentioned to him what is said in the work of banquets in the generator, said to him, peace be upon him : (from joy joy by us). Are you who Asaahm joy it or pleased?

Of miracles and peace be upon him

Quran is the greatest of the great, split the moon, and inanimate objects Tclemha obedience to him, the animals talk to him, spring water from between his fingers, little food Tktheir Berkth and supplication, and the splintering of the chest, impaired healing and revival of the dead and their words and their testimony has to prophethood.

The miracle of the Prophet or Messenger only and it was like the Holy Prophet, peace be upon him, and if I read the Koran and found that a clear and frank ... Do I loved to learn about him and getting him closer???

P. Bakri Abu AL Huda HALLAK
